The purchase of guaranteed automobile protection (“GAP”) is not required in order to obtain credit or any particular or favorable credit terms. You may wish to consult an insurance agent to determine whether similar coverage may be obtained and at what cost. GAP benefits may decrease over the term of the retail installment sale contract. You may cancel GAP for any reason or no reason within thirty (30) days after GAP was purchased and receive a full refund of the GAP fee or premium so long as no loss or event covered by GAP has occurred. GAP is not a substitute for collision or property damage insurance.

GAP is sometimes referred to as debt cancellation protection. If you choose to purchase GAP/debt cancellation protection, the cost and term are shown below.
