Notice to Married Applicants: No provision of any marital property agreement, statutory individual property classification agreement ("opt-out" agreement) under section 766.587 of the Wisconsin Statutes, unilateral statement under section 766.59 of the Wisconsin Statutes, or court order under section 766.70 of the Wisconsin Statutes adversely affects the interest of the creditor unless the creditor receives a copy of the agreement, statement, or order or has actual knowledge of the adverse provision before extending or agreeing to extend the credit you are requesting.

CALIFORNIA RESIDENT: Applicant, if married, may apply for a separate account.

MAINE RESIDENT: You must have physical damage insurance covering loss or damage to the vehicle for the term of any contract. For a lease, you must also have the liability insurance as described in the lease. You may buy this insurance from anyone you choose. You do not have to buy it from or through someone affiliated with the dealer or an assignee of this contract. Your choice of insurance will not affect the credit approval process unless the insurance does not satisfy the contract requirements or the insurance company does not satisfy the reasonable standards of the dealer or an assignee of the contract.

NEW YORK RESIDENT: Consumer reports may be requested in connection with this application. Upon your request, you will be informed as to whether or not a consumer report was requested and informed of the name and address of the consumer reporting agency that furnished the report. On any update, renewal or extension of this credit, subsequent consumer reports may be requested.

OHIO RESIDENT: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
